February 1907

The President also submits in reply to Serial No 2 a copy of his letter to the Municipal Secretary

The note in the linked file gives a complete history of the case.

The land on which an insanitary building stood having been acquired at a heavy cost, viz Rs 1672/ from Plague funds, it is doubtful if the Municipal Council could have any voice ~~expressed~~ in its disposal. The object of the acquisition, also being the opening of a cross road & retaining the rest as a dung to the congested locality, the propriety of making it over to private parties without any price seems doubtful. When a private party is allowed to enclose the land with a compound wall attached to his house, there will be no guarantee that the Municipality would be able to recognise the property

NOTE—Contn. sheet

Complexion of the Case -
The whole site belongs to Government - and maybe made over to the Temple for a flower garden
The Municipal Council propose to make over a good bit of the land to a private party as a free gift with some impossible conditions attached to it. As pointed out by the Asstt Secretary it would be far better to sell the land in that case.
The object with which the lands are required should be kept in view. Considering that it is opposite the Jagan Mohan Palace, the land may be made over to the Temple and no private rights created in it

From

M.Kantharaj Urs Esquire, B A

President, City Municipal Commission,
Mysore

To

C.S.Balasundaram Iyer Esquire, B A

Secretary to the Govt of Mysore,
Rev & Gen. Depts.

Sir,

With reference to your memorandum No 77/Ml 562-06-2 dated 3rd July 1907 forwarding for report a petition from Mr H Krishna Rao and other residents of the Mysore City regarding the disposal of the vacant site in front of Sree Prasanna Venkataramana swamy temple, I have the honor to state that a detailed report as to the circumstances under which the strip of land in question was given to the owner of the neighbouring house and how best the said land can with advantage be disposed of, was submitted to the Huzaroi Secretary with my letter No 29 dated 20-8-07 (copy of which is herewith submitted for information) and the final order of Government on my report is awaited

I have the honor to be,

sir,

your most obedient servant,

M. Kantharaj Urs

No. 39

The City Municipal Office,
Mysore.

Dated 20th August 1907

From

M. Kantharaj Urs Esquire, B.A

President, City Municipal Commission,
Mysore.

To

L. Ananthasami Rao Esquire, B.A

Secretary to the Govt of Mysore,
Muzaroi, Dept.

Sir,

I have the honor to acknowledge receipt of your letter No 5929, Muzaroi Department, dated 24th June 1907 forwarding for disposal petition from Subraya Dass and others of Mysore about a vacant site in front of Sree Prasanna Venkataramana swamy temple, in Krishna Vilas Agrahar, Mysore City, with certain observations and to report that house No 1622 situated on this site was condemned by the Health Officer under the Epidemic Diseases Regulation on 10-10-1901 and was demolished and a compensation of Rs 1,672/- was paid to the owner — thereof Through this site a cross road from Krishnavilas Agrahar to A Ramanna's street was opened and the rest of the site was kept vacant to act as a lung to the congested locality

In May 1906, Venkataraghavendra Dass, the Agent of this — temple, petitioned the Municipality to allow him to construct a Garud-gamba in the vacant land as his land to the south of the temple — where the same was, was taken away without any compensation for — improving the Jagamohan Prince. Permission was accordingly granted [illegible]

In February 1907, Venkataraghavendra Dass petitioned the Municipality to grant the whole site for a Thulasi garden besides erecting a Garudagamba. Another application from one Ramanuja Iyengar, the owner of the adjoining house, was received to the effect that the land in question be given to him on the condition that he would transfer the place to the Municipality whenever required to do so without claiming any compensation. These petitions were placed before the Municipal Council at their meeting held at the latter part of February 1907, who resolved that a piece measuring 10' X 10' may be given for the temple for erecting Garudagamba and the remaining portion to Ramanuja Iyengar on the condition that he should quit the land when required by the Municipality without demanding any compensation and that he should not raise any building on the site and should not plant any large trees. These conditions were agreed to by Ramanuja Iyengar and a mutchalika was executed by him to that effect.

While Ramanuja Iyengar had arranged to put a compound wall, another application from Raghavendra Dass and others was received in this office, praying that the whole plot of ground may be given for the temple use. The subject matter was again placed for the reconsideration of the Board and they again resolved that there was no sufficient reason to alter their former resolution. This was communicated to the petitioners and Ramanuja Iyengar was permitted to erect a compound wall around this site and he has already done a large portion of that work. As the reference in question was received in the meanwhile, Ramanuja Iyengar was served with a notice to the effect that he should stop the work till the matter was finally disposed of.

The entire file of correspondence bearing on the subject is herewith submitted together with a plan showing the situation of the temple and its houses, the site, the cross road and also Ramanuja Iyengar's house.

I beg to state that this site is quite opposite to Her Highness the Maharanee's College and that I am not in favor of allowing any building on it and that it is quite necessary in the interests of public health that this site should remain vacant. Even a cow shed in the middle

temporarily made arrangements for a car shed and may stand good in the future

It is desirable that the temple in front of which this site is, should be given it more especially because the Municipal Council have allowed the erection of a Garudagamba there. It is also equally desirable that a portion of this vacant space should be given to Ramanuja Iyengar as the owner of the house immediately adjoining this side I was therefore of opinion that the portion immediately in front of the temple might be made over to the temple and the remaining portion to Ramanuja Iyengar; but as the majority of the members were against giving any space to the temple except that required for Garuda-gamba as was originally requested by Venkataraghavendra Dass, the resolutions above referred to, were passed A.B C.D is the portion I propose to give to the temple and E.F G H to Ramanuja Iyengar A.B.C D measures 54 feet and E.F.G H measures 105½ feet in length the width of this site is not uniform as shown in the plan If the temple agent also agrees to keep the land vacant, of course using it as a flower garden, it may be given to his charge on condition of his enclosing it by a decent brick wall and surrendering it to the Municipality whenever required without demanding any compensation therefor These are my views in the matter and I solicit orders of Government

I have the honor to be,

sir,

your most obedient servant,

(sd) M.Kantaraj Urs
